

2004 Jay Feather Ultra Lite Weight Travel Trailer - Model 27P

We scanned the brochure for the 2004 Jay Feather Ultra Lite Travel Trailers by Jayco and deleted everything that did not apply to our Model 27P trailer. We bought the trailer new in July 2004 for \$16,975. We have put less than 10,000 miles on the trailer and have not used it since September 2007. It has been stored in a large barn for the entire time of our ownership when not being used; thus protecting it from the elements. It has the original equipment tires and battery, which may need to be replaced.

2004 Jay Feather® Ultra Lite Weight Travel Trailer Specifications

LGT Models	Exterior Travel Length	Exterior Width	Exterior Height w/opt AC	Interior Headroom	Unloaded Vehicle Weight (lbs.)	Hitch Weight (lbs.)	Gross Vehicle Weight Rating (lbs.)	Cargo Carrying Capacity (lbs.)	Fresh Water Capacity [^] (gals.)	Gray Water Capacity (gals.)	Toilet/Black Wastewater Capacity (gals.)
27P	29'5"	8'	119"	78"	4180	490	5800	1620	36	30	22

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, oil, cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo and dealer-installed accessories* that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW.

*The addition of options will decrease the CCC.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a

[^] Includes water heater

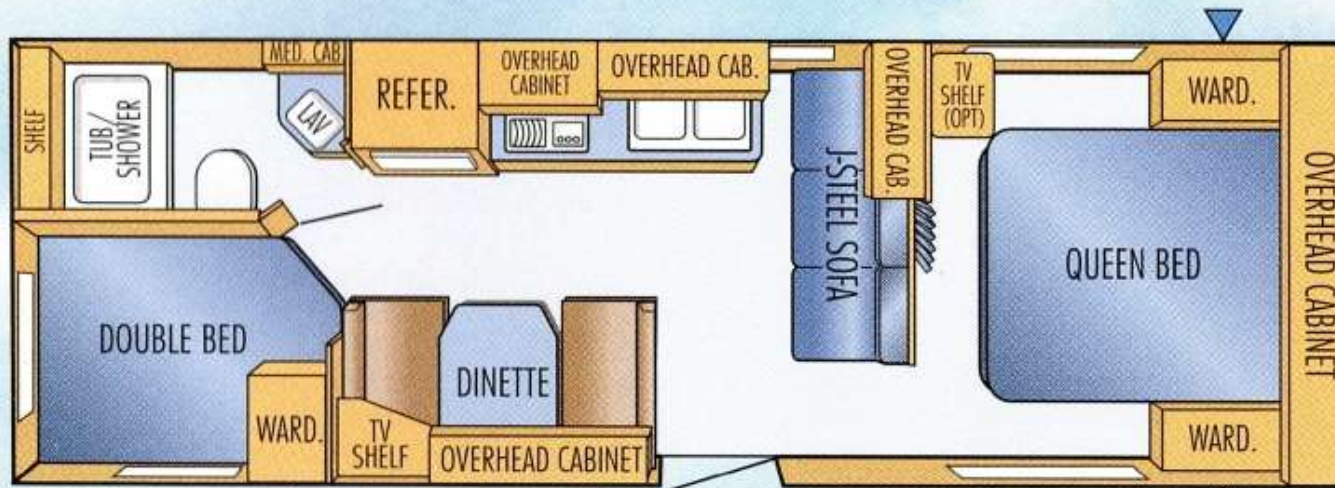

veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. **When you tow an RV, you must drive differently than you do when driving a single vehicle.** Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.

See specification chart above. Jayco® affixes a weight label to each new RV which lists weight information for that vehicle.

The door is in front of the wheels on our trailer (see floor plan)

BUNK OVER
DOUBLE BED OPTION

The bunk bed over a double bed is the style we have. There is a wardrobe above the double bed in the corner. Outside storage compartments are located at the blue arrows on the top diagram.

2004 Jay Feather® Ultra Lite Weight Travel Trailer Standards and Options

STANDARD INTERIOR FEATURES

	Jay Feather® LGT
* Westview maple doors, mortise-and-tenon construction	■
Cabinets crafted with screwed stile construction	■
Nowax vinyl flooring throughout	■
3-burner range top	■
Prewired for microwave oven installation	■
Flush-mount refrigerator	■
Range hood w/light and fan	■
Shower curtain	■
Large drawer in U-dinette (23 B)	■
Large kitchen window	■
Slanted overhead cabinets (where possible)	■
Bunk lights with fan (2)	■
* Deep-quilted bunk cushions	■
Medicine cabinet w/mirror in bath	■
12V bathroom roof vent	■
Fire extinguisher	■
LP leak detector	■
Smoke detector	■
White acrylic double kitchen sink	■
High-rise white kitchen faucet	■
Wallpaper border - kitchen and dinette	■
Roof vent in bedroom	■
Prop for bed lid	■
Mini blinds	■
Sink cover - 1	■
78" ceiling height	■
Stereo prep w/2 speakers	■

STANDARD HEAT, POWER & WATER

	Jay Feather® LGT
Double 20-lb. LP bottles with auto regulator (all EXP & 19 W, 22 U LGT)	■
Double 30-lb. LP bottles with auto regulator (25 Z, 26 S, 27 P, 29 Y)	■
45-amp, high-efficiency electronic converter	■
30-amp power cord	■
Auto-ignition furnace w/thermostat	■
Ducted heat	■
Floor-ducted heat	■
Prewired for A/C	■
12V demand water pump	■
Copper gas lines	■
Monitor panel	■
120V power center	■
120V G.F.C.I. protected circuit	■
TV antenna and cable	■
Water heater bypass kit	■
6-gallon gas water heater	■
City water hook-up	■
Gravity water fill	■

STANDARD EXTERIOR FEATURES

	Jay Feather® LGT
Independent torsion-rod suspension system	■
Radius-cornered entrance door with dead bolt lock	■
White frame radius-cornered baggage doors	■
Sewer hose storage compartment	■
Patio light w/inside switch and amber lens	■
110V exterior receptacle	■
Heavy-duty retractable entrance step	■
Safety chains and breakaway switch	■
Radial tires	■
10" electric brakes	■
Stabilizer jacks (4)	■
Camper-Tex™ water-repellent vinyl tent	■
2" hitch coupler (18 F)	■
2-5/16" hitch coupler	■
Lockable end tanks	■
TPD roof	■
Radius-framed white windows	■
Flush-mount front window & stone guard	■
White spoked wheels	■
Pass-through storage	■
Baggage doors with grab handles	■
HDPE wheel wells	■
EZ Lube™ axles	■
Spare tire w/carrier	■
* Painted bottom radius skirting	■
* Molded ABS bumper cover	■
* Composite bumper extensions	■
* ABS fenderskirts	■
* Double ABS gas bottle cover	■

STANDARD CONSTRUCTION FEATURES

	Jay Feather® LGT
TuffShell™ vacuum-bond laminated walls, roof and floor	■
Tubular-aluminum frame	■
Bead-foam insulation throughout (R-7 roof/floor) (R-5 walls)	■
Smooth, one-piece fiberglass exterior	■
Unitized, 1-1/2" laminated floor construction	■
One-piece PolyFlex™ underfloor covering	■
Weld-free modular HSLA steel E-Coat™ frame	■
Enclosed underbelly	■

* New for 2004

OPTIONAL FEATURES

	Jay Feather® LGT
Folding chairs (23 B)	■
Tinted safety glass windows	■
Bath skylight (18 F, 23 D, 25 E, 25 G) (25 Z)	■
20-lb. double ABS gas bottle cover	■
13,500-BTU A/C (all EXP & 19 W, 22 U LGT)	■
13,500-BTU Central A/C (25 Z, 26 S, 27 P, 29 Y)	■ ✓
15,000-BTU Central A/C (25 Z, 26 S, 27 P, 29 Y)	■
Microwave oven w/carousel	■ ✓
Oven	■
Outside stove	■
Portable gas barbecue grill w/carrying case	■
Awning	■ ✓
Stereo AM/FM cassette	■
Stereo AM/FM CD	■ ✓
Spare tire w/carrier	■

6-cu.-ft. flush-mount refrigerator (19 H, 23 B, 23 D, 25 E, 25 G) (22 U)	■
Family 2-way radio system	■
Water purifier	■
Electric power slideout (select models)	■
* ABS tub surround	■

This page shows the standard features for our LGT trailer; the checkmarked options are the ones that our trailer has.

How tough is Jay Feather?

At the punishing Bosch Automotive Proving Grounds Durability Test Track, after accelerated cycle testing equivalent to 35,000 miles of hard road use, the 4X4 tow vehicle suffered substantial damage. Jay Feather? Only a broken brake light filament.

Frame is 10%-15% lighter than the frame of conventional travel trailers.

E-Coat™ automotive, electronic paint process inhibits rust. Independently tested to withstand salt spray.

Aerodynamic design, lighter weight and standard enclosed underbelly (LGT) make towing easier and more efficient.

Tapered rail design strategically places the strongest part of the frame over the axles.

TorFlex® independent torsion-axle suspension gives more ground clearance, provides a smooth ride, makes towing easier and reduces wear and tear by absorbing bumps.

Modular frame design features "huck" bolt assembly instead of welding. Allows better fit and easier service.

Interlocking dimples in each joint control and secure joint positioning.

Significantly stiffer steel (high strength low alloy) is more rigid than the commercial quality steel used in most conventional trailers.

TuffShell™ construction uses vacuum-bond laminated walls, roof and floor for smoother-looking, more durable walls than typical pinch-roller construction.

The one-piece PolyFlex™ underfloor covering makes towing easier by improving aerodynamics, and protects against road debris (enclosed underbelly on Jay Feather LGT).

E-Z Lube® axles with removable caps make maintenance simple.

Sometimes going back to nature is the only way to leave everything behind.

Clever construction techniques make ultra lite weight Jay Feather® LGT travel trailers 10% to 15% lighter than conventional travel trailers of similar length, so they're easier to tow. Jayco® has perfected this design, giving you 78" of interior headroom and more pass-through storage models than competitors' units.

Our trailer has two taller closets on either side of the queen size bed for hanging clothes. We do not have the oven option shown in far right photo. The couch is at right angles to the one shown. (See floor plan)

Don't limit your choice of clothes. Get plenty of space in closet wardrobes

Store loads of stuff under the bed, shown here with the optional innerspring mattress that lifts easily on struts.

Jay Feather LGT gives you a walk-around queen bed

mini blinds and ample storage in overhead cabinets.

*No need for your old camp stove. Cook on the 3-burner range top
The range hood has a light and exhaust fan. The microwave with carousel is another time-saving option.
Keep track of the status of all systems with the monitor panel.*
